THE ADVANCE

H. S. HARRISON, Manager.

Chicago, March 14 1889.

Mrs A. W. Vauzee

Dear Madam,

I have not heard any thing in reply to my query as to arranging for the sequel to this one just ended. I presume the Judge is away & perhaps arrangements ended & so nothing to report.

If we had something definite to announce in our next issue about the sequel, & when & where & how, it would be a good thing for all concerned.

Yours truly

H. S. Harrison
