

OFFICE OF

GREENSBORO NORTH STATE.

Terms in Advance:

One year, \$1.50; Six months, \$1.00;
Three months, 50 cents.

ESTABLISHED 1867.

Greensboro, N. C. 3-16-1889.

Gen. A. W. Fougere:

Wayville, N. C.

Dear Friend:

"Evil Associations corrupt goodly
manners," and vice versa. Three and
a half years with Keight Boyd and
their friends - and a constant oversight
of the "Inquirer North State," found
me ready and anxious to vote for
Gen. Harrison and the whole Republi-
can ticket.

I edit the local and news &
attend to all the business of the office
-including mailing - so you know
what all that means. You know, also,
I am never so happy as when in a

good printing office. As the State
does regularly to Mrs. Tongue you
can tell whether I do my feet well
or not. But with all this - the pay
is small, and as I have a nephew
in Congress I want a place in the
Agricultural Department to help augment
my salary. If you can say a good
word for me on the line of plum
for the place of local or State statis-
tician in that department a letter to
Gen. Rust, Secy of Agr. would be of
service to me.

With best wishes for you and
yours
I am

Yours truly,
Jack Willright

P.S. - If I get place I do not
expect to leave the "North State."
