

THE FORUM,  
253 FIFTH AVENUE, NEW YORK.

March 16th,

Dear Judge:

That is right; send the article on the ownership of land again at your convenience, remind me of the fact that it has been here before, and I will very carefully consider the subject once more.

"Shall White Minorities Rule?" is in my judgment a powerful paper, and I shall be surprised if it does not make an impression.

Yours very truly,  
D. D. Metcalf,

Hon. A. W. Tourgée,
