*New York,* Mar. 13, 18

Hon. Albion W. Tourgee,

Rayville, N.Y.

Dear Sir:

Yours of the 13th is received. Thanks for your proposition. I am unable, however, to take it into consideration at present. Perhaps after I have fairly got the "Frank Leslie's" running smoothly under the new management I shall be able to look into the matter more intelligently.

Very truly,

*W. J. Arkell*
