Dear Sir

I inclose an editorial taken from the Nashville Daily American, Feb. 14. Thinking you would like to know what some of the Southern papers are saying.

We had a prosperous and successful session. I sent you a paper a few days ago giving an account of our commencement.

We are now working on the walls of our new building. I expect to be at Chautauque during the coming summer and hope to see you there.

Yours truly,

G. W. Hubbard.
