Dear Sir

I have just read your excellent article in the Forum entitled "Shall white Minors rule?" It is the best presentation of the subject yet made. I thank you heartily for it; Our religion is but baptized Mammonism & our democracy but "democratic Absolutism." Your strong point and I have often thought of - is that the present race claim is but a new phase of the old slavery question. There is no compromise, no change of heart, & there can be no peace, no settlement without it. The old abolitionists are dead & dying & the young seem indifferent. I almost despair but such a ringing article as yours excites hope.

Pardon my intrusion & believe me

Thankfully Yours
