Mr. A. W. TOURGEE,

Mayville, N.Y.

Dear Sir:-

Your favor of the 13th ult addressed to our Sup't at Buffalo, Mr. T. H. Collett, has been referred to me. In reply I would say that since receipt of the letter above referred to we have made still further inquiry for your lost cuffs and buttons, and have questioned all of our employes who might possibly have found the articles, but without avail, as they one and all claim not to have seen anything of them. The Porter who was in charge of the car at the time of your loss has been in our service since June 1886, and during the intervening period his record has been of the best. I do not think therefore that he would have appropriated your property.

I regret exceedingly that I am unable to give you a more encouraging reply, and regretting your loss, I remain,

Yours very truly,

C. D. Flagg  
Gen'l Sup't.
