My dear Sir,

Your letter of the 6th at hand. I have just written to the other members of Committee, giving the theme to be announced as you suggest.

"The Relations of the Negro to American Civilization"
As I presume you may prefer to come direct to St Paul, I suggest that you notify Mr. Russell B. Dorr, Care, The Bankers Life Association, St Paul at the time you will arrive. The Ryan is the best hotel there. If you should come here Wednesday morning the West is one best hotel, and if you will notify me I shall be glad to give you some time in a drive about the city.

Yours very truly

Chas A Marsh
