Dear Sir

We have all of the living
 but seven in, ~~from~~
 of class 1862, represented, on "the Anderson
 Alumni Fund" which the Committee consider
 a testimonial to the life-work of Dr Anderson
 from his Boys. You made a conditional
 pledge of \$500⁰⁰ provided the class would
 raise \$1000⁰⁰ that condition is not likely
 to be fulfilled the record stands to day as follows

S. A. Allen	25.00	H. B. Hutchins	25.00
D. S. Banyan	2.00	E. H. Johnson	550.00
A. Clark	1.00	W. J. Leonard	5.00
A. W. Crandall	10.00	J. B. Small	10.00
S. K. Bennett	10.00	C. B. Parson	5.00
		R. J. Pelleyer	10.00
		Total	\$652.00 <u>the Paid</u>

We would very much like your name as
 one of the prominent Alumni of the
 Institution & a special fund of Dr A attached
 to the list. Will you give us your name

The fund will certainly be raised & it is
practically already done, at least so near it
that it is now more a question of names
than money so far as the committee are
concerned. We have sought in this family
affair of our Alma Mater to have every
child represented by name some amount. Nothing
to that plan we have welcomed cordially
any amount - even a single dollar. We
have secured several entire classes. Will
you kindly give us your name as a
loyal Alumna. I know Dr. K will be
grateful for your name, in connection
with the 540 whose names we already
have secured in sums ranging from \$1.00 up to
\$1000.00. Please respond to this promptly
as you will greatly oblige.

Respy Yours
