My dear wife: I am at home -  
arrived last night at 11 - Not  
very bright today - naturally I suppose  
have - but am going at work  
upon an idea I have. If I suc-  
ceed you will hear of it; if I  
do not - well there will be  
no need to tell of it.

I found your letter waiting me  
It was very kind of you to think of  
it. Now Berrie just a minute  
at the train. She looks very well  
says the costume is a great suc-  
cess. They are coming east soon  
and will be this way. I shall  
try and have them stop here on  
the way. Joe is very well - better  
than I have seen him in years

and I should judge covers =  
ponderingly good natured.

I had no chance to look  
around Minneapolis being  
sick in bed all day while  
there. Made a big row with  
the Cong. Club and had a good  
time at night.

Must not write any more  
as I have a lot to do and  
not very good shape to do it  
I had \$210 and a book on the  
Lake Shore Road, half used, on  
my return
