Philadelphia, May 8, 1889.

Mrs. A. W. Tourgee,
228 S. Broad St.

Dear Madam:

In reply to your note of the 2d inst., I beg to say that
The Press would of course be glad to number Judge Tourgee among
its contributors, but I am unable to speak more definitely without
a clearer idea from him of the scope of the articles that he would
like to write.

Very truly yours,

Bradford Merrill, Jr.
