Buffalo, May 16.

My dear Judge Touge

Can you not
deliver the address at
the close of our Law School
which occurs Thursday
evening May 30. when
we graduate our first
class. You probably
have sufficient material
on hand so that the
collecting together
will not be so very
burdensome. It is
the desire of the Faculty

that you should accept
and I sincerely hope
you can do so. The
Government will be quite
simple. The adms.
making of the foreign thesis
short adms by way
of the thesis. granting of
diplomas. will you
be kind enough to
telegram your acceptance
to your Mother as I
shall be away for a
few days,

Yours etc.
