Dear Judge

From my acquaintance  
with you during my em-  
ployment on the Park Row  
branch of "Our Continent"

I take the liberty of introducing  
to you two young ladies  
from St Vincent West Indies

I read your last  
publication with the  
greatest pleasure. When  
will you give us another?

who intend putting in a  
few weeks at the Springs  
feeling confident you  
will extend to them your  
well known courtesy. I have  
been a visitor here for some  
three months as I am  
suffering from a rather  
dangerous aneurism, but  
am happy to say I grow  
stronger every day.

Trusting you and Mrs  
Lodge are well.

I remain  
truly yours  
W H Leonard M.A. S.C.S.
