SPECIAL EXAMINATION
DIVISION.

Department of the Interior,

BUREAU OF PENSIONS,

Watertown N.Y. June 8, 1889.

Dear Emma,

John of 7th inst just recd,
I mailed letter from No. Manilton yesterday
to the Judge also book description of St. Andrews.
I can't find the letter which I said mailed
before. It was from Chas. Randall and
in order to get to his place you would have
to go to Roach Pond first in any event.
I enclose letter from R.P. just recd.
Should you go there, you could find out
all about Randall's & could get up
there if you desired. I rather think
you would not like it at Randall's on
account of the solitude & isolation, but
the Judge would enjoy it for a few days at least.
A family of man, wife & 2 or 3 children
go there from after year. They are from
Lynn Mass. - I know I should like it

THE EXAMINER MUST BRIEF THIS LETTER.

at Rock Pond (River) + lakes could be very comfortable there.

I know of no scenery greater than the barts. Of course the Judge will have to decide for himself, but if he wants change + new surroundings he would certainly find them

at St. Andrews or Rock River. Am in great hurry, but the enclosed letters + yours came in same mail +

I send the former at once

You can write them at Greenville

me. (Rock River). With kin
