Judge Torgue

Dear Sir:

No doubt you have forgotten me long ago, but, perhaps will remember me when I tell you I'm the youngest son of the late B B Bullen of Asheboro, N.C.

Though our family is under too many obligations to you already, still I have one more favor to ask. And my apology is the simple fact that you are about the only one who can, that I think will, help me.

I want the position of Copy holder in the Gov't printing office and

want the influence of
Mr. Geo Nichols. Would
you be kind enough to
write him in regard
to the matter?

Posing as a defeated
candidate he is all
powerful and a word
from him would be all
I need, while, on the
other hand, one word
from you would assure
his support in the matter.

Hoping you will think
favorably of this

I am

Louis D. Bulla
