Judge Foyce

Dear Sir,

Your letter  
of consent, to your name  
being placed on the board of  
trustees of the Infirmary  
is received.

I consider it a favor  
conferred upon the Infirmary,  
because I believe your  
heart is right toward my  
people. The work on  
the building is progress-  
ing very satisfactorily.  
I'm trusting the Lord

will open up the way  
for its endowment - but  
little has been done in this  
direction yet -

Gratefully yours

Mrs Ann Hale -
