Judge Albion W. Tourgee,

Chatauqua, N. Y.,

My Dear Sir, - "Frank Leslie's" would like an editorial contribution from your pen of from fifteen to twenty-five hundred words in length on the subject of "What the Colored Man is doing for himself", or some similar subject which you may select. If you write it, kindly send it with your autograph signature and send us a cabinet photograph of yourself both to be reproduced when the contribution appears. We will pay you our customary rates for the service.

Very truly, yours,

*John A. Sleicher.*
