Hon. A. W. Tourgee,

Mayville, N. Y.

Dear Sir:- Your favor of July 24th at hand.

We shipped your order to you yesterday by express, and wrote you at the same time in reference to some substitutions we had to make in the way of goods you wanted.

We regret that we could not have shipped the order sooner, but it was an impossibility from the fact that it takes a week to make Split Bamboo Tips to order. They are never kept in stock, and the drying process of the glue alone takes from three to four days on a well made Tip. This is the reason that you have not received your returns within three days as you supposed you should have done.

Hoping, however, that the goods reached you in time and are satisfactory, we are,

Yours truly,

A. G. Spalding & Bros.
