Dear Sir:

Your esteemed
favor of the 29th. ultimo is at
hand, along with the M.S. for
"With Swan & Sallow".

We proposed to
use the Magazine plates cut
into 12ms forms, but in all
other respects, follow your wishes,
with the hope of obtaining the
largest demand.

Trusting this will

be satisfactory, and begging
to submit a complete set of
plate forms when ready, as usual.

Yours very sincerely,
