Geo. H. Tracy Esq

Dear Sir:

I find on my re-
turn yours of August 1st.

I am profoundly grateful that
the sentiments you express should find
recognition at length at the hands of
our educators.

I am come to you on

October 18th. My regular Terms
for a lecture in a regularly arranged ~~and~~ trip
are \$75 but as my Autumn work is
where the distance between dates is small ~~inasmuch~~
almost entirely at the west ~~end~~ and I
shall ^{have to} make a special trip for this

I shall have to ~~make~~ ^{pay} \$100.

Please let me hear from you at
once as I have directed my
agents to reserve the date and

~~time~~

Sincerely yours

Albion
