Dear Sir

Your letter stating
that you might come
to the Island sometime be-
tween Sep 7th & 10th next
Try and let us know in
mail before hand and I
will meet you if necessary
at Sealand.

If you come to Petoskey
they will probably bring you
to the Island but if they land
you at Sealand we will
come after you.

I wrote this hurriedly on
my way to Chicago, but
hope to be back home
Oct 17th

Please remember me
to all the folks, I would
love to see you soon
Very truly,
S. Bondman
