My dear Judge:- Immediately upon the receipt of your letter I mailed the following letter to the Circuit Clerks of all the counties from which you desired information:

Offices.	Names of Officers.	White or Colored.
Circuit Clerk		
Chancery Clerk		
Sheriff		
Treasurer		
Supt. of Education		
Assessor		
Surveyor

Dear Sir:- Will you kindly fill in the above blank and return to me by return mail? Thanking you in advance for the favor, I am," etc.

I go to the State Republican convention to-morrow morning. I will see at Jackson colored delegates from all these counties and will get the information. Thought would make it certain and also write to the Circuit Clerks of each county. I think I can mail you a complete list by Wednesday.

Please inform me when your articles will appear in the "Tribune" and "Leslie's" as I do not wish to miss a perusal of the same.

Whenever I can be of service to you please do not hesitate to command me.

Very respectfully,

Chas. M. Morse
