155 La Salle Street,

Chicago, Oct 7 1887

My Dear Mrs. Cargel,

We will endeavor to send weekly
then as it is of so much importance to you.
As to date, it will not be convenient usually to send
before date of publication, the date we go over the list
& prepare for payment all except the regular ones, (those
usually being monthly) The first installment opened up
grandly. We are expecting great things.

Yours truly
H. S. Harrison.
