My dear Dr. Brewster:

Enclosed ~~is~~ 16 chapters of
"A White Christ." I think the time is just a-
bout ripe for it now. As I ~~wanted~~ "Samuel
Swallow" to get out first and the edition to
get a little better on such matters. I hope
~~Swallow~~ will be out in a few days and
the country is pretty well waked up ^{now} on the subject -
^{this} deals with and ready for ~~the~~ it.

The other chapters will follow as soon as needed.
I hold them to make any changes the proof may
show necessary. There will be - I think about
70,000 words - not more.

I have to start out lecturing about Nov. 1 -
and hope you will get me the proof as
fast as you can. There ~~are~~ ^{will} be surely many changes
and I will return by next mail as fast as you choose.

Make a small page - say $3\frac{1}{8} \times 5\frac{1}{4}$ on sheets -

are pretty fair type - and wash it out.
