Mayville N.Y. Dear Leonard and Friend

Some of the Creditors of your father's Estate are suspicious that Efforts are being made to make as little out of the property as possible so that the Mortgage Creditor ~~and~~ the Widows allowance and last sickness Expenses will cover or absorb it all, and it looks now very much as tho there would be very little left after satisfying the above claims if I am rightly informed, I understand there is an order of Sale of the Real Estate issued and will soon be Executed I thought I would write and let you know how matters stand up to the present time.

I don't know that anything to your interest could be done were you to be here, but I would like to see you on a little matter of my own which I could afford to pay at least a part of your Expenses up here if you could spend the time without too much sacrifice, I will try within a few days to inform myself more in detail as to your father's Estate so if you should be up I could inform you, or in case you should not come, and if you could inform me when I could meet you say at Brocton I must think it best to do so on my own account, If you should conclude to come up please let me know before hand a few days so I could be at home, I expected to see you at Youngstown but did not - Please let me hear from you soon. As Ever yours M. W. Wright
