Dear Sir,

The Stars & Stripes was raised above the Old Home of Lincoln, on last Wednesday, in the presence of 300 ex-Prisoners of War who were holding their reunion in this City, the flag was presented by Geo A Sanders of this city and accepted in behalf of the Home by Gov Joseph Fisher. I want to publish a little "American Booklet," and would be glad if you would write me a few lines upon the occasion. I shall be glad to send you a copy when published. Very Respectfully
O. H. Oldroyd
