THE ADVANCE

Chicago Oct 26 1889.

Explanation should be made
of only ^{part of the} ~~one~~ installment last week.

I was absent in the East, & they feared the
report of the American Board would swamp the
paper & only put in one chapter. Am very sorry
but effect needed both. I hope usually we
just about one page of it.

Yours truly,
H. S. G.

The Advance.
