Judge A. W. Sargee,

My dear Sir:

Thank you  
for your letter of the 25<sup>th</sup>  
ult., which met me on  
return home from a trip  
for meetings, &c. I am  
interested in the Indians  
you mention, and shall be

glad if we can do something  
for them. I shall make  
a little article of the facts  
you give and trust that  
some good may come of  
it, if we find that Mr.  
Hall is really all that  
he seems to be. I send  
herewith some of our leaflets,  
trusting you may be  
able at least to glance  
at them. I wish we  
might find a branch

sisterhood in Praysville.

With kind regards to  
Mrs. Tourgee, believe me,

Yours sincerely,  
A. H. Quinton.
