A. W. Bourgie Esq.

Dear Sir

I received your kind and sympathetic note of May 22<sup>nd</sup> stating you would endeavor to send me a part of the three hundred dollars after the first of October. Will you kindly remit me a portion of it on receipt of this, as I am very much in need of it.

You are aware dear Frank was our entire support,

consequently we are in  
very straitened circumstan-  
ces, and my husband  
is far from being well.

Faithfully Yours  
M. G. V. O'Brien
