KINGSVILLE, OHIO.

Kingsville, O., Nov 4th 1889

My dear Friend Foyage

The man Fleischer of Gayville called on me today about the land and after some thought and hesitation I got an offer (as a starter) as follows \$800. - \$200. next April \$100. yearly and interest at 6 per cent - Let me know what you want me to tell him further about it and I will see it done - I got the Affidavit which was all right if it will be accepted without the Notary Seal which I see was lacking, I have sent it forward and have not heard from it yet. - Also the \$2. Sodal Order and if you can stand it I can, Hoping to have a chance to kick you or do some other kind of to you. I am &c

As ever yours

M. W. Wright
