WESTERN BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS,

LEAVENWORTH COUNTY, KANSAS, presented to ..... 1889

Judge A. W. Sargent.

Dear Sir:

We desire in our Home Library some works or works, of your own, with your autograph on the fly leaf.

We have several of your Books, but you have so many admirers here, amongst them request that the volumes are pretty well used up. - A Bookbinding we have not, we mean to buy or bind Books. While the General Government provides in the best means possible, for the wants of the body - we have to depend on the individual friends of the old soldiers for reading matter. - What great good, pleasant and instructive reading does for us old men, you can easily understand. -

There are now 1700 old Veterans, members of this Home. - I take the liberty - in our old soldiers - to ask for your kind donation, of such of your own works, or other good Books, that you will send them for a good cause - either by mail or Express. The Adams Express Co has an office here at the Home. All other Companies are represented at the City (Leavenworth)

Please address

Your obedient servant

Carl Smith
