

HEADQUARTERS EXECUTIVE COMMITTEE

Wisconsin Civil Rights League,

137 MARTIN STREET.

Milwaukee, Wis. Nov 7th 1889

Judge Albion N. Sargee

Honored Sir

I am instructed by our committee to send you the enclosed circular and to endeavor in some measure to convey to you our strong appreciation of & heartfelt thanks for the brave & noble stand which you have ever taken in defence of the Negro Race. Your recent utterances go far towards convincing those who have hitherto been unconvinced concerning the real status of our people, who, over the whole length & breadth of this great country are looking to you as their noblest, grandest & most powerful champion.

Signed on behalf of the League

Wm J. Green

Secretary Ex'c Committee
