Hon. A. W. Tourgee
Mayville, N. Y.

Dear Sir:

You are booked for a lecture here on Dec. 3, and I write you to ascertain what subject you prefer to speak on. For my own part, "The Race Problem" is the lecture I should best like to hear. Please notify me at your earliest convenience what topic you will take. I think I am speaking for the majority of the audience when I state my own preference.

Yours very truly

C. W. Cabeen
