Hon. W. O. Tourgel,
Mayville, N. Y.

Dear Sir,

I was very much disappointed and so were the people of Wellbors and my teachers, in not having the privilege of hearing you in our institute course. Your telegram from Rathbunville stating that you were driving to Corning reached me twenty four hours late. I answered it immediately upon its receipt, but did not hear from you again.

What I want to know is this could you, owing to the fact of our failure, give me two dates, ^{one} at Wellbors and one at Knoxville Feb 20 & 21 or the 21 & 22 at \$40. each and local.

Please let me hear from you at once. In case you can not give me these dates can you not come to Wellbors for \$40 dollars you fixing the date some time between now and the above mentioned dates.

Yours truly,
M. F. Cass

If you can do this it shall be kept confidential.
