NEW CITY BUILDING.

Springfield, O., Nov. 26, 1889.

Judge and Mrs. Tourgee:

Very Dear Friends - I have received the new book and read it with great satisfaction, but I am now out of the newspaper business. I left the Republican Times about two months ago. I have, however, had a notice of the book printed, have sent a marked copy to Messrs. F. P. Pincott & Co., and mail one to you, with copies of the Board of Trade Review, my new "paper," which I edit as superintendent. I was sorry not to see you last summer, but I was only one day at Chautauqua and saw "nobody nor nothing."

Hoping you are prosperous and happy I am

Faithfully Yours,

Clifton M. Nichols
