Well, my dear, I have been back here since 10. AM. Got your letter and wrote to Kelly (M.C.) <sup>and Scarborough</sup> at once. Hunted up Annie and asked her to go and see Shenandoah with me tomorrow night. Went out to get clothes and was frightened and at price of overcoat \$35-~~00~~ but guess I will take it. It is a warm chinchilla and we have a hard winter promised. Got a dozen nice lambs ties but did not get the silk under shirt. Will do that tomorrow. Had a good time out at Sandwich. They had changed their subject and wanted the "Race Problem." Nearly all of them were taking that I find.

The dates you have are correct  
only up to the 6th at Jacksonville.

After that they are all muddled  
up — I don't know how, but  
have a suspicion I shall lose some  
religion and find some temper  
before I am through with them.

I have about \$84 — which will  
do me until Essequibo, Monday  
night.

I hope you will have a pleas-  
ant time though I am afraid you  
will get tired of each other, and many  
girls with no man about to  
keep you from snuggling up each  
other.

I wish you were here and  
if I had not supposed you would  
go to Phila would have ordered  
you on. I know it would do  
you good. Love to all

Yours  
Albin
