1807 CHESTNUT STREET.

HOURS: 8 TO 11: 3 TO 4.

PHILADELPHIA,

Dear Mr. Douglas,  
I would  
advise Lodie to postpone for  
a week or two her return  
— the epidemic will probably  
be over by that time. She may  
experience a Grippe meantime in  
her own home — but we hope  
not. Yrs & in haste C.H.T.
