Hon. Albert Tourge

N.Y.

Hon. Sir: Upon the advice of
the Ed. "Curiosity Shop" of the Chicago
Inter Ocean, I take the liberty of
addressing you in search of information
upon two points, submitted to, and
referred by him. The writer is
deeply interested in the "Race War",
and desires to become better acquainted
with the arguments both pro & con.
Will you kindly furnish me the
address of "The Caucasian", quoted by
you in Hyattsville Notes, also the
address of some paper ably edited by
the Colored people. Enclosed find
postal for reply.

Resp. Yours
