Respected Madam

Your card  
came to me today, You directed  
it to Iowa & it was forwarded to  
me at this office.

Will you please  
retain my letter to the Judge  
until he comes home & then if he  
will not make an affidavit-  
have him send back the letter  
he first wrote me, I want it-  
for a souvenir. If he will say  
in affidavit form that he would  
not believe Col Hall under oath  
it will help me very much.

Yours Truly  
H. D. Miles
