Hon. A. W. Jewell.

Des Moines Iowa:

Dear Sir:

You have been chosen to act as judge of the composition and thought of six orations. The orations can be given you here on Friday evening and you can have over a week, in which to examine them. I write to you so that you may take the matter into consideration, and let us know when you arrive. We very much desire your services, and hope you will, act if you can possibly, do so without too much inconvenience to yourself.

Yours respectfully  
C. R. Graves.
