CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

Gen A. W. Fisher

Dear Sir

If it be a fact, as I am informed, that the appointment held by Mr. Jas. A. Graham of A. C., was not a political favor, but the fair result of a competitive examination, and that his record is satisfactory for the portion of the year which he has served, I will say that I would be glad to see him continued in the same or a similar position; provided this can be done without prejudice to any one with better claims to your consideration.
