Dear Sir:

Enclosed find the first installment of "Nazirema". Do not break it up. Its power lies in its unity. The others will follow regularly. I hold them for final opinion. I suppose you have the Greek letters. If not put the textual words in Italics. Send all ~~the~~ ~~money~~ ~~out~~ all checks to ~~Harrison~~ E. K. Tourge. The story and copyright belong to Mrs. Tourge. You will therefore make out and send all checks to E. K. Tourge, whose receipt will be your voucher.
