My dear: I send enclosed a bit of advertising matter for Dayton. You may make three copies and I will send one to him and one ~~to~~ or part of one to Bunnell and get him to publish it as it can be quoted -

I am afraid Blaine is a fact. — if he would only die! Well Harrison will get enough of him — and pay dearly for his weakness. I told Millie to "cut out" as you said, but she is here yet.

I enclose letter from Cummins and one from the Alliance. You can see what Forde did with Black Lee — less than 2,000 sold. What do you think of that? You see how completely "down" I am. Perhaps you will begin to admit now that money is the only key of success! I expect to leave here on Monday so you will probably see me on Tuesday morning. I shall come by the Lehigh valley, lest the P & E be snatched up. Good bye.
