Dear Sir,

Yours of the 31st ult came duly to-hand. I am sorry you have had such hard times, and that you are unable to do anything for me now.

If I close up the pending case the final govt fee (\$20) will have to be paid within 6 months. The case can be permitted to rest as it is for nearly two years longer if you desire longer time in which to make arrangements to dispose of the invention I will do as you direct.

I suppose I dare not ask you to say a good word for me to any of your friends who have manufacturing establishments?

Truly yours
Chas J. Gooch
