Dear Sir

Yours of the 31st of Dec received. I thank you for your kindness in writing to Mr. Noble. my desire was to have the indorsement of Republicans that had known me in N.C. for I have found a vast difference in being a Republican in N.C. and in Dak. here I am in accord with the will and wish of the people in N.C. we both know what it cost to be a Republican. I do not know that any of the members of Congress from South Dak. will feel interest enough in me to push this matter, therefore I am the more thankful to you for your kindness. Should you ever visit my State again. I hope you can stop in Mitchell. and make me a visit.

Sincerely Your Friend
E. W. Smith
