As I

have only received  
but fifty dollars to  
ward the interest which  
was due last August  
I have come to the con-  
clusion that you have  
given up all idea of  
paying interest. Please  
to that notice that this  
is my last call. I will  
place papers in attorney  
hands on Monday if  
the interest is not here
