Hon A. W. Loring,

Mayville, N. Y.

Esteemed Sir:

The news surprised & grieved a few days since to learn that the draft given you for lecture fee had been protested - We immediately called a meeting of our "Lecture Bureau" & assessed our members for the amount necessary to make you whole - And have this day forwarded through the "First National Bank of our City" the amount together with protest-fees. You will doubtless receive notice from your bank of this amount being placed to your credit -

Please acknowledge receipt - to  
"Pawnee Lecture Bureau"

Regretting the trouble these unfortunate circumstances have given you - we are  
Yours "Lecture Bureau"
