My dear Judge Tourgée-

Your very kind  
letter gave me great pleasure,  
& I wish I could reply  
at length in regard to  
the purpose of your new book;

but I am under strict orders  
from the physicians to  
read & write but very little,  
& so must postpone what I  
should find a very interesting  
discussion, were it possible.

Thank you most sincerely  
for your generous words about  
my own work. Cordially yours  
Alice W. Rollins.
