Mr Albin W. Lurgel

Dear Sir.

We received from you
this day page proof 181 to 228
& galley proof 1-34. This makes
a bad break in our proof as
we have failed to receive proof
pp 101-160 and addition to Chap. I.
We can do nothing until above
proof reach us. Will you please
return us the duplicate set
corrected, soon as possible. You
also have galley 35/86 which completes
Book so far as we had copy.
Yours truly
