My dear Sir:

I am sure such a
well put and sensible
letter as yours would
have been grateful to
me even if I had
never heard your
name. You can then
imagine what pleasure

it gave me coming
from you.
You have given
me in times past
~~me~~ common with
your other readers
such great comfort
that it was not
possible for you
to add to it except
in this very way

by making it well known
and well known

Very sincerely

Yours truly
